As we continue to fight against the spread of COVID-19 it's important to note that cases in Tarrant County continue to rise. We know that being stuck at home is not pleasant or easy, but it's an important part of how we can keep ourselves and others safe and slow the spread of this virus. Please continue to demonstrate an abundance of caution and engage in all safety guidelines such as keeping hands washed, staying home whenever possible, staying home if feeling sick, and social distancing at all times when out of the home. Each of us has to practice individual responsibility during this time. The safety of ourselves, our loved ones, and the members of the community around us depends on it.
